European Network on Lexical Innovation

EXPLORING THE EVOLUTION OF LANGUAGE TOGETHER

Are you passionate about how new words emerge and evolve across languages? ENEOLI brings together researchers, educators, students, lexicographers, translators, journalists, language policymakers, and other language enthusiasts to delve into the dynamic world of neology.

WHY JOIN ENEOLI?

- **Collaborative Research:** Engage in comparative studies on lexical innovation across European languages.
- **Digital Tools & Methodologies:** Access and contribute to cutting-edge resources for tracking and analyzing neologisms.
- **Multilingual Glossary:** Help develop a specialized, born-digital glossary to standardize neology terminology.
- **Training Opportunities:** Participate in workshops and training sessions designed for translators, editors, journalists, and educators.

BE PART OF A GROWING COMMUNITY

With over 350 members worldwide, ENEOLI is a vibrant network committed to fostering creativity in language and promoting clarity in communication.

GET INVOLVED WITH ENEOLI

- **International and Online Seminars:** Attend events featuring esteemed academics from around the globe.
- **Grants & Funding:** Apply for ENEOLI grants to support your research and participation in network activities.
